

/home/peter/Documents  
/Projects/northern-spare  
-tracker/student.h

```
graph TD; A["/home/peter/Documents  
/Projects/northern-spare  
-tracker/student.h"] --> B["QString"]; A --> C["QUrl"];
```

The diagram consists of a top gray box containing a file path, two blue arrows pointing downwards from the bottom of this box, and two white boxes at the bottom. The left arrow points to a box labeled 'QString', and the right arrow points to a box labeled 'QUrl'.
